

OPEN DOOR CHRISTIAN CHURCH

Mid Week Message

MARCH 10, 2022

THE NEXT STEP!

This year, ODCC will be focusing on the method of “making Disciples”. ODCC is the hands and feet of Jesus who actively builds God’s Kingdom. The process of making disciples is an all-church effort. We must all commit to being a disciple of Jesus and create a place or culture where strangers are transformed into disciples.

A disciple is someone who has moved from being the recipient of the church’s mission to being responsible for the church’s mission! This year we make this transition and discover the method we will use to fulfill the church’s mission.

The method for making disciples is centered around five ministry teams working together to create God’s Kingdom. Not all people will be a part of the five teams simply because they are doing other acts of ministry or are not physically able to participate. Our goal is to get all of us doing some act of ministry that brings energy and enthusiasm to our lives and the life of the church. How much time you have to offer is not the issue. Give what time and energy you have available. The key is staying connected.

Each of you have signed up for a ministry team that has sparked your interest. Signing up for a team DOES NOT commit you to this team. We are in the learning and exploring stages at this point.

Our next steps:

1. Each ministry team sets up a zoom meeting with EVERYONE.
2. I will meet with each team and give an orientation, discuss how the team works with the other teams, and answer any questions you may have. This training will not take more than one hour.
3. Each disciple (you) will take the information given and discern if this ministry team fits who you are.
4. If this ministry fits, then discern how much time you can give.
5. If this ministry team is not a fit, then you and I can meet and discuss other options.
6. Once every disciple has a team, we will talk about leadership for the teams.

Below is the list of all the teams and the disciples. You will be contacted to set up a day and time to meet this month. I look forward to meeting with y’all!
